IN FEBRUARY

Citizens Participate in Planning and Action—Articles featured in the February issue will deal with the following topics: Our schools need a partner—the whole community. The role of laymen in curriculum planning. Citizens organize to meet attacks on the schools. Citizens advisory councils at work: a symposium. Base- ball—leaven in community relations. What is a positive program of public relations in education? Organizing school-initi- ated citizens committees. When citizens plan and act. What is the school's function?
