ARTICLE VIII—AFFILIATION

Presently Reads (*Italics, matter to be deleted*)

State groups requesting affiliation must meet the following requirements: (1) a state group applying for affiliation must have an ongoing organization; and (2) the purpose and policies, including the policy of unrestricted membership, of any state group applying for affiliation, must be *identical* with those of the national organization. The Executive Committee shall act on application for affiliation from all state groups.

Proposed New Reading (**Bold type, matter to be added**)

State groups requesting affiliation must meet the following requirements: (1) a state group applying for affiliation must have an ongoing organization; and (2) the purpose and policies, including the policy of unrestricted membership, of any state group applying for affiliation, must be **consistent** with those of the national organization. The Executive Committee shall act on application for affiliation from all state groups. **Any state group which does not maintain the membership policy of the Association or is in violation of any provision of the Constitution may be disaffiliated by action of the Executive Committee, approved by a two-thirds vote of the Board of Directors.**
