DURING the Annual Conference of the Association in February-March of 1965, the Board of Directors of the Association for Supervision and Curriculum Development, acting upon a recommendation by the Executive Committee, unanimously appointed Leslee J. Bishop as Executive Secretary of the Association. Dr. Bishop accepted this appointment and assumed his duties on the Washington staff on July 1, 1965. He comes to his position with the Association from Livonia, Michigan, where for the past five years he has been Coordinator of Secondary Education of the Public Schools.

Dr. Bishop is a native of northern Illinois, where he received his public school education. He attended Cornell College where he was granted his B.A. degree; he received his M.A. and Ed.D. degrees from Northwestern University. He has also done graduate work at Teachers College, Columbia University, and in 1955-56 he was a Ford Fellow.

Preceding his experience in Livonia, Dr. Bishop was Director of the Combined Studies Program, Evanston Township High School, Evanston, Illinois. He has also been a high school teacher in Highland Park, Illinois, and in Faribault, Minnesota; and has taught at the University of Utah, Wayne State University and the University of Michigan.

Dr. Bishop (known as Les to his friends and associates) has been active in Michigan ASCD and has had membership and other responsibilities with Committees and Commissions in National ASCD, including three years as a member of the Publications Committee. At the time of his appointment as Executive Secretary he was Chairman of the ASCD Advisory Council on Secondary Education. He was a contributor to the joint ASCD-AASA pamphlet, Organizing for Improved Instruction, and authored a chapter in the ASCD 1965 Yearbook, Role of Supervisor and Curriculum Director. Articles he has written have appeared in various educational periodicals.

The Bishop family has moved to a home just outside of Washington, in Fairfax County, Virginia, where Mrs. Bishop and the four children (ranging in age from 2 to 20) are just beginning to get settled.

Dr. Margaret Gill, who served as Executive Secretary of the Association from July 1, 1959 until June 30, 1965, has accepted a position at Mills College, Oakland, California. The best wishes of the Association go with Margaret as she moves into her new position.
