Youth Cultures
What can we learn?
ON THE COVER: Television, music, games, and graffiti can tell educators much of what today's youth are "into." According to Donald Eichhorn, "This issue concerns itself with the nature of 'Youth Cultures,' but more significantly, it deals with the question, 'What Can We Learn?' The challenge to both practitioner and theoretician is evident and must be met if schools are to succeed." Cover design: Burkey Belser.
