ADMINISTERING WRITING PROGRAMS: A Workshop Leader's Handbook

Administering Writing Programs is a handbook that contains all the information and materials needed to conduct a one or two day workshop to train school administrators to become more effective managers of school writing programs. The handbook includes sample workshop agendas, trainer's instructions, and a set of participant materials that can be copied. The handbook also has an additional resources section with survey instruments to assess your current writing program, teacher inservice needs, and much, much more.

Administering Writing Programs has been field tested extensively and is available at \$11.45. (Orders must be prepaid). Order from the NETWORK, Inc., 290 South Main Street, Andover, Massachusetts 01810. (617) 470-1080.
