ASCD Activate Professional Learning Network

ASCD Activate makes professional learning affordable, accessible, and sustainable for EVERY educator in your school. It is designed to help you strengthen your existing professional learning community or build one, while providing opportunities to connect your team to other educators who are also committed to growing their practice. It's learning that is engaging and collaborative and not time intensive.

Fueled by ASCD's award-winning resources, ASCD Activate provides your team with access to a full year of materials that are

- Evidence- and research-based, developed by educators for educators.

- Digital, for anytime access for group or individual learning.

- Time saving, designed to fit into busy educator schedules.

- Developed by ASCD, the trusted industry leader in K-12 professional learning.

Best of all, our network is priced to fit your school or district budget with a simple annual subscription price.
