INTRODUCING A

Professional Learning Experience Like No Other

Now you can have ASCD’s most powerful industry-leading professional learning resources in one comprehensive, affordable package that EDUCATORS CAN ACCESS ANYWHERE, ANYTIME.

WWW.ASCD.ORG/ACTIVATE
A collaborative community by educators
ASCD Activate makes it easier to be better, smarter, and empowered.

Access the professional library that will grow your skills and inspire your students while supporting a whole child approach to education.

ASCD Activate is a digital library full of ASCD’s best resources available anytime, anyplace, in the format that works you. It will help you uncover solutions to your biggest (or smallest) challenges. Because when you get it, your students get it.

All-in-one professional learning.

ASCD Activate lets you design your own professional learning online using award-winning resources to transform classroom learning and increase student achievement.

ASCD Activate is

• Evidence- and research-based, developed by educators for educators.

• Digital, for anytime access for group or individual learning.

• Time saving, designed to fit into busy educator schedules.

• Developed by ASCD, the trusted industry leader in K-12 professional learning.

learning powered everywhere
Access All of ASCD’S Most Powerful, Industry-Leading Resources

We’re Here to Support You!

Our professional learning team can answer any questions you may have about our resources. We will

• Help you identify the best materials to meet your school or district needs.
• Offer ideas on how your team can find time for professional learning.
• Show you how to integrate our resources into a collaborative learning program.
• Assist you with log-in and password setup for PD In Focus, PD Online, or ASCD myTeachSource.
• And more!

ASCD will provide you with as much, or as little, support as you need, whenever you need it.

Start Learning, Growing, and Collaborating Now.
