ALINA DAVIS • GROW WITH ASCD

ESOL Resource Teacher

President of Florida ASCD and 2010 ASCD Emerging Leader
Florida

The very first encounter that I had with ASCD was my second year teaching. I had the opportunity to attend a conference, and I was so blown away by the amount of offerings, the diversity involved. And the next opportunity I had to go to a conference, I went to ASCD again.

About six years ago, I became involved with the Florida ASCD affiliate and then became an Emerging Leader. And from that, I rely on ASCD for so many resources, whether it's people, materials. I'm not leaving. Being part of that program, I've learned how to be confident with myself, to know that I can be a leader. ASCD has really been supportive in providing us with guidance.
