JANE COBIA • JOIN FORCES WITH ASCD

Associate Professor and Director of Doctoral Program
Executive Director of Alabama ASCD
Alabama

ASCD offers such a wide range of resources. It's everything from print to online to face-to-face conference—the huge Annual Conference to something that's smaller, that's a regional cluster meeting.

I have found in my practice, and in my years of work, I use a combination. It may depend on the circumstance. It may depend on if I am teaching students who really are looking for international studies. It may depend on student success—what is it exactly that I'm looking for?—and then I try to find a resource that matches it.
