Proposed Geographic Area of Connected Community: _____

Contact Person: _____

Contact Person's ASCD Membership Number: _____

Title: _____

Organization: _____

Address: _____

Phone: _____

Fax: _____

E-mail: _____

Home Address: _____

Home Phone: _____

ASCD suggests potential connected communities form a Steering Committee. A Steering Committee should consist of at least three members, some of whom should be from outside of the Contact Person's immediate organization. This helps to both meet ASCD Connected Community guidelines and to invest influential people from various organizations in the mission and success of the community from the outset.

Steering Committee Contact Information
