

SUPPORTING
EQUITABLE
LEARNING ENVIRONMENTS

When equity is the goal, it's not unusual for questions to come to mind—What exactly *is* equity?

How do I know if I'm employing equitable practices? Isn't treating all students the same being equitable?—and to want answers to these questions. ASCD can help. Explore and select from these resources designed to help you develop cultural competence, motivate your students to achieve, and help you along the path to equity-focused school leadership and developing equitable learning environments for *all* students.

About ASCD

At ASCD, we know that teaching and leading is the most rewarding challenge, which is why we have helped educators around the world adapt to changing environments by increasing their knowledge, enhancing their skills, and helping them stay motivated and connected to other educators—and students—for more than 75 years.

Excellence Through Equity: Five Principles of Courageous Leadership to Guide Achievement for Every Student

Alan Blankstein and Pedro Noguera with Lorena Kelly

Equity, as many educators know, is not about treating all children the same, but, instead, creating schools where all students are able to thrive. This book explores how real-world educators have created truly equitable schools and how other educators, through the five guiding principles of courageous leadership, can create schools where each student receives what they need to succeed.
