Teaching the 4Cs with Technology: How do I use 21st century tools to teach 21st century skills?

Stephanie Smith Budhai and Laura McLaughlin Taddei

Enhance the ways you teach the “4Cs” with technology by using instructional strategies described in this book. The authors emphasize rigorous uses of technology, focusing on its end-goal—improving student outcomes—rather than technology for its own sake. An in-depth discussion of how technology can promote the learning of the 4Cs and numerous practical strategies to help support the development of each subskill are included.
