

### STUDY GUIDE ▶ Models of Co-Teaching

Two teachers working in the same room is not the only requirement for co-teaching. What three elements are required for instruction to be considered true co-teaching?

---

---

---

Briefly define each of the following and give an example of what it might look like.

One Teach, One Assist: \_\_\_\_\_

---

---

Parallel Teaching: \_\_\_\_\_

---

---

Supplemental Teaching: \_\_\_\_\_

---

---

Alternative Teaching: \_\_\_\_\_

---

---

One Teach, One Observe: \_\_\_\_\_

---

---

Team Teaching: \_\_\_\_\_

---

---

## Models of Co-Teaching

Describe at least two advantages and two challenges of co-teaching.
